AWARD & RECOGNITION 2023

Mr. Ankit Singhania, Director & Co-Founder, Navitas Solar has been honoured with a prestigious spot on "40 Under 40 Tech Leaders", India by SolarQuarter that highlights the achievements of young leaders of the Indian solar industry.

Ankit Singhania is the Director (Sales and Procurement) at Navitas Green Solutions Pvt Ltd, India's leading solar module manufacturing company with an installed manufacturing capacity of 500 MW p.a. and an upcoming capacity of 1.2 GW p.a. With over a decade of experience in the real estate and solar energy sectors, Ankit has an in-depth understanding of the solar module manufacturing process, industry practices, and trends. He also manages the company's supply chain management at a global level, making strategic sourcing decisions and developing long-term partnerships with suppliers and vendors. Ankit is the driving force behind Navitas Alpha Renewables Pvt. Ltd, a backward integration of Navitas Solar that manufactures Ethyl Vinyl Acetate (EVA) sheets with an installed manufacturing capacity of 1.5 GW p.a. and an upcoming capacity of another 1.5 GW p.a. Navitas Alpha also manufactures solar backsheets with a manufacturing capacity of 3 GW p.a. A graduate in Economics from Mumbai's St. Xavier's College, Ankit completed his MBA in Marketing from IIM Ranchi in 2012. At the Annual Solar Awards 2022 at Suryacon Kerala, EQ recognized Ankit's contribution to the solar industry by awarding him the "Youth Leadership Excellence Award." Ankit is passionate about creating sustainable energy opportunities and working towards his vision of making Navitas Solar India's most trusted solar company.

AWARD & RECOGNITION 2023
